None to report. Executive advised of current bank balances

Correspondence:

A number of atom parents attended to discuss lack of practice times for their team. Executive advised parents of the hours contracted with township and explained other associations such as Ennismore Girls, Lakefield College etc. also use the ice and precludes us from getting additional practice ice through the week at this point. It was however realized that the atom local league coach was not included in the past couple of emails regarding extra ice. An atom parent suggested LDMHA pay ½ of their tournament fee in Havelock as a token of good faith for the miscommunication.
