

## Requirements – General

There will be four stages to the Township of Selwyn arena reopening plan. There is no definite time line for each stage. The Township could be required to return to a previous stage or reclose the arenas, if conditions or Provincial Orders make this necessary.

All Provincially required protocols must also be followed including:

- Physically distancing
- Wearing a face covering while in public spaces
- Participants and organization officials must wear a face covering until the skates are tied and helmets are on.
- Staying home if showing any signs or symptoms of COVID 19
- Sanitizing your hands frequently
- All participants/spectators must enter and exit through the designated doors and following the directional arrows in the facility.

### **Green – IN and Red - OUT**

- Public washrooms in the lobby washrooms will be open with reduced capacity.
- Absolutely No outside food!

## Ennismore Arena

All ice time in stages 1, 2 and 3 will be 45 minutes in duration allowing for 15 minutes of disinfection of the Ennismore Arena by Township staff. Standard ice time slots will be 60 minutes and will continue to start at the beginning of each hour.

### **Stage 1**

- Access to the facility only 10 minutes prior to rental period.
- Players and participants **will wait outside** practicing physical distancing until being directed to enter by arena staff.
- No spectators. Players and participants may be accompanied to the exterior door by adult and brought into the facility by approved organization rep.
- No personal belongings other than skates, water bottles, helmets and sticks. All participants must arrive fully dressed.
- All participants must sit in the designated, physically distanced spaces while tying skates and on the player benches.
- All participants must leave the facility within 10 minutes of their rental time.
- No change room access during this stage!

## Stage 2

- Access to the facility 10 minutes prior to the rental period.
- 1 parent/guardian per participant permitted – if staying, must enter by the designated entrance and proceed directly to the designated spectator area – following capacities listed in each area and must remain in their physically distanced locations and must wear a face covering.
- Players and participants **will wait outside or in the lobby** practicing physical distancing until being directed to proceed by arena staff.
- No personal belongings other than skates, water bottles, helmets and sticks. All **minor participants** must arrive fully dressed.
- All participants must sit in the designated, physically distanced spaces while tying skates and on the player benches.
- Change rooms will be available subject to reduced capacity. Only participants and designated representatives are permitted in change rooms. Capacity limits and scheduled times will be posted on the door and must be adhered to. Access to the shared washrooms is permitted with no shower use.
- All participants/spectators must leave the facility within 10 minutes following their rental time.

## Stage 3

- Access prior to the rental period (arrival time) to the facility will be determined dependent on the nature of the rental (practice vs. game).
- A maximum of 50 spectators, including parents/guardians per rental period. Spectators must enter by the designated entrance and proceed directly to the designated spectator area – following capacities listed in each area and must remain in their physically distanced locations.
- Players and participants will wait outside or in the lobby practicing physical distancing until being directed to proceed by arena staff.
- Change rooms will be available subject to reduced capacity. Only participants and designated representatives are permitted in change rooms. Capacity limits and scheduled times will be posted on the door and must be adhered to. Access to the shared washrooms is permitted with no shower use.
- Players and participants are permitted to bring equipment bags.
- All participants/spectators must leave the facility within 15 minutes following their rental time.

## Stage 4

- These protocols will be determined based on Provincial Orders, Public Health Guidelines and League/Organization Return to Play Guidelines.
- Daily disinfection routines will continue
