

Date Completed: October 1, 2020

Revised: February 25, 2021

There will be four stages to the Township of Selwyn arena reopening plan. There is no definite time line for each stage. The Township could be required to return to a previous stage or to reclose the arenas, if conditions or Provincial Orders make this necessary.

All Provincially and local Public Health Unit (PPH) protocols must be followed during all stages of reopening including:

- Physically distancing – 2m distance, maintained at all times. All participants must avoid physical contact when possible!
- Wearing a face covering while in public spaces for everyone within the facility.
- Participants must wear a face covering until they are on the ice and have their helmets on. Coaches and organization officials must also wear proper PPE when with athletes including; medical masks and face shields/eye covering unless athletes are wearing masks during the rental in which case the coaches no longer require the face shields/eye covering.
- Staying home if showing any signs or symptoms of COVID 19. All participants, team officials and spectators must complete a provincially approved screening before entering facility. **Organizations retain screening records for 30 days**
- Sanitizing your hands and any shared equipment frequently.
- All participants/spectators must enter and exit through the designated doors and following the directional arrows in the facility.
Green – IN and Red - OUT
- Public washrooms in the lobby will be open with reduced capacity and cleaned by facility staff after each rental.
- Absolutely No outside food!

Lakefield Arena

All ice time in stages 1, 2 and 3 will be 45 minutes in duration allowing for 30 minutes of disinfection of the Lakefield Arena by Township staff. Standard ice time slots will be 1 hour and fifteen minutes in duration.

Stage 1

- Access to the facility only 15 minutes prior to rental period.
- Players and participants **will wait outside** practicing physical distancing until being directed to enter by arena staff.
- **No spectators.** Players and participants to be accompanied to the exterior door by adult and brought into the facility by approved organization rep where screening will be confirmed.
- No personal belongings other than skates, water bottles, helmets & sticks. All minor participants must arrive fully dressed.
- All participants must sit in the designated, physically distanced spaces while tying skates and on the player benches.
- All participants must leave the facility within 15 minutes of their rental time.
- Change room access during this stage is allowed for all participants and team reps based on new capacities.
- Minor hockey rentals will be for practice sessions only during Stage 1 without game play with outside organizations.

Stage 2

- Access to the facility only 15 minutes prior to the rental period.
- 1 parent/guardian per participant permitted – if staying, must enter by the designated entrance and proceed directly to the designated spectator area – following capacities listed in each area and must remain in their physically distanced locations and must wear a face covering.
- Players and participants **will wait outside or in the lobby** practicing physical distancing until being directed to proceed by arena staff.
- No personal belongings other than skates, water bottles, helmets and sticks. All minor hockey participants under the age of 16 should arrive fully dressed.
- All participants must sit in the designated, physically distanced spaces while tying skates and on the player benches.
- Change rooms will be available subject to reduced capacity. Only participants and designated representatives are permitted in change rooms. Capacity limits and scheduled times will be posted on the door and must be adhered to. Access to the shared washrooms is permitted with no shower use.
- All participants/spectators must leave the facility within 15 minutes following their rental time.

Stage 3

- Access prior to the rental period (arrival time) to the facility will be determined dependent on the nature of the rental (practice vs. game).
- A maximum of 50 spectators per rental period. Spectators must enter by the designated entrance and proceed directly to the designated spectator area – following capacities listed in each area and must remain in their physically distanced locations.
- Players and participants will wait outside or in the lobby practicing physical distancing until being directed to proceed by arena staff.
- Change rooms will be available subject to reduced capacity. Only participants and designated representatives are permitted in change rooms. Capacity limits and scheduled times will be posted on the door and must be adhered to. Access to the shared washrooms is permitted with no shower use.
- Players and participants are permitted to bring equipment bags.
- All participants/spectators must leave the facility within 10 minutes following their rental time.

Stage 4

- These protocols will be determined based on Provincial Orders, Public Health Guidelines and League/Organization Return to Play Guidelines.
- Daily disinfection routines will continue.
